**RESPONSE TO RESTRICTION/ELECTION REQUIREMENT**

Sir:

In response to the Restriction/Election Requirement set forth in the Office Action mailed May 2, 2006, Applicant elects Group I, (claims 1-6), drawn to a composition, classified in class 524, subclass 1+, with traverse.

Applicant respectfully traverses the restriction/election requirement. The claims of Group I (claims 1-6) drawn to a composition and the claims of Group II (claims 7-12) drawn to a method for encapsulating an EL device are closely related to each other and define a single invention. Further, Applicant respectfully submits that it would not be unduly burdensome for the Examiner to examine the claims of three groups. Applicant respectfully requests that claims 1-12 be examined.

An early Office Action on the merits is respectfully requested.

If a Petition for Extension is necessary and the petition and the is not enclosed, this will act as a petition to extend the time for response and authorization to charge the necessary fees under 37 CFR 1.17(a)-(d) to Deposit Account 503-121.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP
